

Challenger Baseball Begins Its Inaugural Season This Spring

The Challenger Division of the newly formed Spotsylvania County Little League is a program for mentally and physically disabled youth to enjoy the full benefits of Little League participation in an athletic environment structured to their abilities.

The fundamental goal of the Challenger Division is to give everyone a chance to play, regardless of limitations.

All children, ages 5 through 18, with physical or mental disabilities are encouraged to participate.

Each player uses the “buddy” system for assistance during practices and games.

“Buddies” may be local high school baseball players, other participants within Spotsylvania County Little League, or baseball players from other leagues within Spotsylvania County.

Registration information can be found at spotsyll.org.

Respectfully,

Scott Neal
